Dear Abe;

It has been hard to secure the park for we have so many teams here training and passing through until I was up a tree as to what to write, however you can use same I was just informed on the 8th May day or night I hope you can fit this in your program for Greenville is a base-ball town. Sorry I was so long writing I have received all of your correspondence

Expect to hear from you in the near future.

I am

Very Truly Yours
